

0.1 Past, Present & Becoming

Who was I? Who am I? Who am I becoming?

Length: about 1-3 minutes

Due: Tues., Sept. 15, 2026 at 7:00 PM

Presentations: Weds., Sept. 16 & Thurs., Sept. 17, 2026

Learning goal

I can reflect on where I have been, describe who I am now, and share something about who I am becoming in a way that helps others connect with me.

Tell us where you have been, where you are, and where you are heading.

You can keep it simple. There is no required number of slides, pictures, or facts.

What could you share?

Choose whatever helps us understand you. Some ideas:

- something from your past that shaped you
- a project, experience, skill, or moment you are proud of
- what matters to you now: interests, skills, people, places, or routines
- something others may not know about you
- something you hope to learn, make, fix, try, or become
- a future goal, direction, or possibility you are curious about

You do **not** need to include everything on this list.

Keep it accessible

If you use slides, everyone in the room should be able to understand them.

- use large, readable text
- use clear contrast
- keep layouts simple
- use images when they help explain something
- avoid too much text
- do not rely on colour alone to communicate meaning

Fancy slides are not the goal. Clear, accessible communication is.

Google Classroom - submit one PDF

Submit one PDF by **Tues., Sept. 15, 2026 at 7:00 PM**. If you used Google Slides, PowerPoint, Word, or Google Docs, download or export your work as a PDF. If you used paper, photos, or a physical object, scan it to PDF or place clear photos in a Google Doc or Word file in the correct order and export that as a PDF. Open the PDF before submitting and make sure everything is readable and complete.

After you present: We will pause for questions, comments, and connections. Be ready to respond and help the class build a short discussion.

Your **0.1 achievement mark** is based on the curriculum learning demonstrated in this presentation. Effort, punctuality, attendance, submission timing, personality, and general behaviour are not scored in this rubric. Listening, participation, and Learning Skills are recorded separately in **0.2 The Way We Meet** and other course evidence.

0.1 Past, Present & Becoming · Rubric · /10

Use the achievement levels to describe the quality of the evidence. The final /10 is based on the overall pattern of evidence and professional judgement, not a simple total of equal points from each row.
